Education  
Camaraderie  
Community*

*The Winnebago County Forest Preserve and Macktown Living History have undertaken plans to restore Macktown to its 1830-50's historic condition using a master plan by Sheaffer Land Architects.*

*Plans include archaeological excavations, reconstruction of the Hayes Tavern, the Mack Store, the Furniture Shop, the school house building, and other historic buildings.*

*These projects and others have an estimated 2.5 million dollar cost. Your generous contribution will help fulfill our plans to make Macktown the premier living history site in Illinois.*

*Membership is tax deductible! With your help, we will be able to celebrate our history by restoring this historical treasure for the education and enjoyment of future generations.*

## *Mission Statement*

*Macktown, a Living History Education Center, is organized to restore and interpret the cultural life ways of this early Pecatonic settlement, one of Winnebago County's first communities.*

*The Gathering at Macktown  
Magnificent Macks Pageant Play*

*Archaeology Digs*
